## Overview

I am a multidisciplinary Graphic Designer and Illustrator with 10+ years of experience. I collaborate with brands and agencies, providing illustration and visual concepts for a broad range of digital and print projects. Specialising in illustration and graphic design, I aspire to create artwork that invokes interest with strong contrasts and striving for new approaches.

## My qualifications are:

- Digital Illustrations
- Brand Identity & Logo Design
- Print and Digital Marketing Materials
- Presentations & Data Visualization
- Social Media Graphic Content
- Email Marketing
- Packaging Design

## My principles:

- Quality goes first
- Design is always unique
- Deadlines are important
- Communication is key
